

THIS IS THE WAY WE

MY FROG

Materials:

Scissors, glue, crayons, worksheet

REVIEW the words students have learnt in this unit.
Use 3step lesson/modified.

Ask questions: What is it?

SAY This is a frog. Let's make a frog! The mouth is a half circle. SHOW the children the difference between WHOLE circles and HALF circles. ASK the children how many half circles it would take to make a whole circle. ASK the children to count the circles and semicircles.

WRITE steps on the board:

1. Colour the half circle in red.
2.
3. Cut
4. Glue
5.

ASK children to repeat/ read guidelines with you.
